

## ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

The Brattleboro war chest fund was over \$70,000 up to Saturday night.

Bennington is beginning to consider the importance of having a motor truck for street work.

In Burlington 18,000 tons of ice has been packed away, and 1,000 tons is piled in the open for immediate use.

Rev. Dr. A. H. Bradford has decided to decline at the present time the invitation to do Y. M. C. A. work abroad.

Cora Tye of Cavendish married a soldier who recently died at Camp Devens, leaving her \$10,000, the amount for which he was insured.

Since the first of October, Mrs. Warren W. Bailey, of Newbury has knit 23 sweaters, and during the summer months she made 10 mufflers.

Russell Vane, on the Haskins farm in Middlebury Springs, has a contract with the government to furnish baled hay and is shipping it to North Carolina.

Mrs. Chesley has been experimenting this winter and finds that she can raise fresh rhubarb in her cellar in Lyndonville. It is now nearly grown and the family is enjoying the spring product.

Union church services, which have been in operation in St. Johnsbury for the past few weeks, as a means of saving fuel, have been discontinued and each church has resumed its separate service.

Misses Mae and Emma Maguire were ill all last week as a result of inhaling gas at their home in Hydeville, when the severe winds of March 10 blew the gas out into the room during the night.

James Duba of Bristol, who had been employed for a few days as watchman at the Vermont Industrial school at Vergennes, died March 15 of pneumonia. He was planning to move his family to that city.

Among those in Waterbury to whom sugar cards have been issued was G. H. Farnham, who reported 13 in his family. There are 11 children at home, and in all Mr. and Mrs. Farnham have been blessed with 18, 15 of whom are living.

The Sunset Home for Aged Women is to receive \$5,000 from the estate of Mrs. Louise C. Towle of St. Johnsbury. Mrs. Towle died last July. It had been her plan to spend her last days in the home. She was 67.

Maj. James Henry Cole, a Civil war veteran, died at his home in Rutland Saturday after a long illness. He was 82 years old. Maj. Cole was a violinist of considerable reputation and had made an instrument for himself.

John G. Patterson, aged 72, died March 17 at his home in North Westminster, following a shock. He was for several years a millwright in the Robertson paper mill in Bellows Falls and for 14 years was manager of the Basin farm, owned by the late Frank G. Thompson.

The smallpox situation in Island Pond is being watched closely by the health authorities.

WAR CHEST RUNNING OVER.

Brattleboro Raised More Than \$70,000 for War Relief Work.

Brattleboro, March 19.—The Brattleboro war chest fund is approximately \$71,000, which is a figure far above the maximum set by the committee for the drive. As the result of the effort Brattleboro is immediately prepared to meet all the quotas of the legitimate war relief demands that may be made upon the town. The constitution of the war chest association provides that only \$50,000 can be spent the first year, so Brattleboro will have a comfortable balance on which to start the year 1919.

Although it is impossible at this time to make a detailed statistical report, hasty footings show:

One pledge for \$5,000.  
One pledge of \$2,500.  
One pledge of \$2,400.  
Fifteen pledges of \$600.  
Twenty pledges of \$300.  
Sixty-three pledges from \$120 to \$300.  
Ninety-nine pledges from \$80 to \$120.  
The balance of the pledges are for amounts less than \$5 a month, showing the splendid reception which persons of limited means accorded the war chest idea. As soon as possible a report showing the number of pledges of each size will be published, also a list of members of the association.

Although the drive to fill the war chest is officially over there are still pledges to come in from people who are out of town.

## WEAK, WEARY WOMEN

Learn the Cause of Daily Wees and End Them.

When the back aches and throbs, When housework is torture, When night brings no rest nor sleep,

When urinary disorders set in, Women's lot is a weary one. Doan's Kidney Pills are for weak kidneys.

Have proved their worth in Barre.

This is one Barre woman's testimony.

Mrs. F. Cassiva, 24 Farewell street, says: "Sometimes my kidneys act unnaturally. I suffer quite a bit from heavy pains across my back, and they bother me when I bend. Doan's Kidney Pills, which I have bought at Cummings & Lewis' drug store at those times always relieve me."

Price 60c, all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Cassiva had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

is believed to be under control, only one new case having developed last week, and that in a family where a child had previously been ill with the disease. All the cases except the first have been very mild. Several hundred persons in the place were vaccinated. Churches reopened Sunday and the schools Monday.

Rev. J. F. Virgin, rector of St. Michael's Episcopal church in Brattleboro, has tendered his resignation, to take effect April 15. He will become one of eight national field scout commissioners of the Boy Scouts of America. For the present his headquarters will be in New York, and his family will remain in Brattleboro until fall. Mr. Virgin had been with the Brattleboro church since September, 1916.

Samuel W. Barrows of Stowe, aged 92 years, has a unique record for a man of his years. He is next to the oldest person in Stowe, only Mrs. Margaret Drugg exceeding him in age. For many years he resided in Bethel, but moved to Stowe in 1906 to be near his son, Dr. H. W. Barrows. March 16 he observed his 92nd birthday. During this winter he has split and stored in the woodshed ten cords or more of stove wood for family use.

Miss Jennie M. Sheehan of Wallingford has brought a suit to recover \$5,000 for breach of promise from Almon R. Johnson of Wallingford. Miss Sheehan alleges that she became engaged to Mr. Johnson Nov. 26, 1916, and that from that time until March of the present year she expected to marry him, but on that date he refused to do so. Both parties are well known in the vicinity of their home town and Mr. Johnson is a prosperous farmer.

The members of the Methodist church in Bennington have asked for the return of their pastor, Rev. P. L. Dow, at the annual conference. In a set of resolutions unanimously adopted, the people refer to the remarkable unity which has prevailed between them and the great harmony which exists between pastor and people. For many years the Bennington church had been burdened with a debt, which has now been fully subscribed and nearly paid.

George S. Richardson, aged 64 years, who died in Fitchburg, Mass., a few days ago, was born in Wheelock, and 47 years ago left for the Massachusetts city. He had been superintendent at the Fitchburg Machine works since 1872, had been a call fireman there for 30 years and for 44 years had been prominent in Masonry. A brief sickness with pneumonia was the cause of his death.

## Warning to the Public.

I understand that the Russian rouble is being offered to the people of Vermont at prices which are claimed to be attractive as compared with the par value of such money.

I am inclined to think that these roubles are not investments whose sale is prohibited in Vermont without a license, as it is still entitled to the technical name of money, but I consider its value, under present conditions, as purely speculative, and whoever buys it should understand fully its character and standing at the present time.

New Draft Plan.

Washington, March 19.—There was presented to the president yesterday a plan to base draft quotas on registration and liability to service instead of on the number of men in class 1. Advocates of the new plan thought it original proposal might result in inequalities among states and also tempt local draft boards to put too many men in the class needed for work at home.
